Notes from our March 8th meeting

It was a big night with lots of folks in attendance.

Monica Langfeldt introduced our speaker Eric Nelson, Chief Executive Officer of the Nordic Heritage Museum. Eric's presentation included a slide show of the progress of the construction, what it looks like now and what it will look like. They are in the last phases of construction and the office has moved into the new building on Market Street. The Grand Opening will be May 5th and 6th for the public, including a ribbon cutting and a party with choirs, dancing, and rock bands from Norway etc. There will be several other kick off events for supporters and contributors throughout May. The Syttende Mai luncheon prior to the parade will be held there this year, as well as an after-party. The month of May has been declared Nordic Month in Seattle with a lot of Nordic programming around town. How can you help? Be a contributor by purchasing a plaque, become a member, volunteer, and help get the word out.

Minutes were approved. (*Minutes submitted by Debbi Larson of Skagit Bank*)
