Notes from our March 28th meeting

After dinner guests were introduced and then we heard from NCC member **Cory Nelson** about his Coast-to-Coast bike trip across the country last summer. He road over 5,000 miles in 91 days through 13 states, experienced 2 oceans and only 1 flat tire. Cory learned 5 lessons on his trip:

1. Expect the unexpected
2. Celebrate good luck
3. Want or need? Carrying everything changed his perspective
4. Vastness of open space
5. Generosity (from people along the way)

Meeting minutes by Debbi Larson of Key Bank were approved and seconded
